Re: General Notice Letter and Information  
Request/San Gabriel Valley Areas 1-4  
Superfund Sites

Dear Mr. Kistner:

TRW is in receipt of the general notice letter and information request with regard to the above site. Our records indicate that this letter was received on June 12, 1990. This letter will serve as a partial response to the general notice letter. TRW is responding with regard to its identification as a PRP with regard to Monadnock Company listed on page 13 of the attached recipients of the EPA letter.

With regard to the general notice portions of the letter, TRW is willing to participate in the conduct or financing of response activities at the sites as part of a steering committee or organization of responsible parties and in proportion to our respective liability, if any, for these sites.

Also in response to the general notice portion of the letter, all future contact should be made to:

Robert M. Walter  
Senior Counsel - Environment  
TRW Inc.

With regard to the information request portion of the letter, TRW requires additional time to complete our response to the information request. TRW will respond to the request as quickly as possible, but we do not believe that our response can be submitted prior to August 15, 1990.

Very truly yours,

Robert M. Walter
